Unicity

Premiunmess

The excellence of our Italian Espresso is born from the historical passion of Pellini family, now in its fourth generation: it's a mix of love, knowledge, efforts, attention to the quality and the enviroment, tradition and future vision to create a particular and unmistakable coffee aroma. A coffee appreciated by Italian families and tasted in the best cafés, that turns a moment of break into a dreamy experience.

TOP DECAFFEINATO NATURALE

250 gr.

Cod. 315400176

- ① During the natural decaffeination process, caffeine is extracted from the coffee beans in a selective way by means of carbon dioxide, a natural element that is also found in the air we breathe. In this way the aromatic profile of the coffee remains unaltered.
- ① Elegant and structured taste.
- ① Intense and enveloping aroma.
